MEDICAL

In order for your child to receive medical and/or dental care in West Virginia, payment is required at the time of service. Therefore, we must receive the following information to provide your child with the appropriate medical or dental treatment.

We must have a credit card number for our dentists and pharmacists. You can use any credit card you want, but Visa/MasterCard is preferred as this is used the most in the West Virginia/Virginia area. Please include the name that appears on credit card as well as the expiration date. If you choose not to use a credit card (or you don't have one), then we strongly urge you to deposit additional money into your child's spending account to cover any out-of-pocket medical expenses. As stated on the application, we do not cover medical or dental expenses. Also, if you do not submit a copy of your prescription card and we are unable to contact you, we will fill the prescription without the card. It will not become our responsibility to get you reimbursed for the prescription. Please submit this form even if you think your child will not need medicine.

If you have a prescription card for us to use, we must have the following information: name of insured, name of insurance company, plan number and name that appears on the card. Please make a copy of the prescription card (both front and back) and submit it to us with this form.

OPTIONAL TRIPS

Our camp tuition is all-inclusive. We feel we offer a complete camping experience that covers a wide range of activities and trips such as roller-skating, amusement parks, backpacking, bike trips and rock climbing. However, there are many other exciting things in our area that the children may want to take advantage of that are not part of the camp tuition and do involve extra costs. In order to enhance what we think is already a great program, we are offering these programs to campers for an additional fee. Please keep in mind these trips are optional and any camper will have a great summer experience without opting for them. Listed below are the extra trips available and their costs. If you would like to reserve a trip for your child, please complete the form on the following page and return it with your check by May 20th to the camp office. Due to reservation restrictions, we will not be able to add campers once camp has started. Please notice there are age limitations on certain trips. Unfortunately, due to time constraints second session campers may not be able to go on all of these trips.

Trip 1	White Water Rafting – Full & First Sessions	\$150
---------------	--	--------------

All current 5th, 6th, 7th, 8th, 9th and 10th graders may choose to go on an exciting rafting trip. Have you ever dreamt of rubber rafting down the Colorado River? If you haven't, don't. However, this summer we will be able to white water raft down the Potomac/Shenandoah Rivers from Harper's Ferry and it will be equally as exciting with experienced guides to conduct us through the river perils. This will be an exciting one-day trip and will include rafting, lunch, entertainment, guides and dinner in town.

Trip 2	Golfing – All Sessions	\$300 For 3 Sessions
---------------	-------------------------------	-----------------------------

All campers who are competent enough golfers to play competitively on an 18-hole golf course are eligible for an entire morning or afternoon on the links at Rock Harbor Golf Course. Each foursome includes a counselor and uses a golf cart (for counselor operation only). Clubs are provided for a cost, but campers are welcome to bring their own. Full-session campers can do a maximum of six trips and half-session campers can do a maximum of three trips. Rental of golf clubs is an extra cost of \$20. Pull carts are available at a cost of \$5 as the golf club bag is very large and can be hard to carry.

Trip 3	Paintball – Full, First & Second Sessions	\$80
---------------	--	-------------

All current 6th, 7th, 8th, 9th and 10th graders may choose to go on our paintball adventure. During this all inclusive trip we will supply everything needed to experience thrill of paintball at one of the best facilities in Virginia. For over two hours, Timber Ridge campers will have access to all of the paintball fields. After we finish an awesome day of paintball, we will fill up at the Golden Corral for an all you can eat delicious meal and will then head back to camp.

Trip 4	* Washington, D.C. Tour – Full & First Sessions	\$150
---------------	--	--------------

Available to all campers, this tour is perfect if you have never been to our nation's capital. This is your chance. We will take an all day professional private guided tour that will explore many of the beautiful sites of Washington including the Smithsonian, the Washington Monument and the White House. This all day trip is a fun and educational experience for all. Spending money and meals are included!

SNF

Sunday Night Football

What Is SNF?

Sunday Night Football is Timber Ridge's flag football league. It is a well-loved tradition at camp which includes games, playoffs and a Superbowl! Boys who are finishing grades 4-10 will need a SNF jersey in order to play. Boys in grades 1-3 will still play, but will not need to purchase a jersey.

Fill out this form to order your football jersey. You will receive your jersey when you arrive at camp.

TENNIS TOURNAMENT AND TRAVEL TEAM SCHEDULE

In the past we have held a USTA tournament on our grounds and allowed outside participations as well as campers to compete. This was very disrupting to our program and kept our campers who did not wish to play in the tournament from using the Tennis courts. This year we decided not to have the tournament, but for those campers who still wished to play in competitive tournaments we will be traveling to some great local tournaments in West Virginia.

40th Annual Jefferson Junior Open* June 28-30 \$60 + \$19 Fee (For the USTA Membership)

27th Annual Eastern Panhandle Junior Open* July 28-31 \$60 + \$19 Fee (For USTA Membership)

USTA sanction tournaments require USTA cards in order to participate. The cards cost \$19 for one year of membership and include a free subscription to Tennis Magazine. Please include a check for \$19 payable to Timber Ridge (for the USTA card) if your child plans to play in either of these tournaments. If your child already has a USTA card, please include the USTA number and expiration date below. Please Do not send the payment for the USTA card and the tournament in the same check.

HORSEBACK RIDING LESSONS

Horseback riding is a very popular program at Timber Ridge. For that reason, we provide children who attend camp free group lessons two times per week as part of their regular activity schedule. For those more serious about riding, however, we are offering additional one-hour group sessions as well. Please use the form below to request these extra lessons.

Please Note: We run a very tight schedule at camp. If a camper repeatedly does not show up for a scheduled session (except for illness, inclement weather or out-of-camp trips) then unfortunately the missed session will count and no refunds will be given.

For all children intending to ride: For safety reasons, the following attire is required:

- 1 pair long pants (sweats or jeans)
- 1 pair hard soled shoes/boots w/1" heel and cover the ankle
- 1 S.E.I. approved helmet (Optional-Timber Ridge can provide)

ZUMBA[®]

FITNESS

Working out can be healthy, rewarding and beneficial! The Zumba program fuses hypnotic Latin rhythms and easy-to-follow moves to create a one-of-a-kind program. We want everyone to work out, to love working out and to get hooked. Zumba fanatics achieve long-term benefits while experiencing an absolute blast in one exciting hour of calorie-burning, body-energizing, awe-inspiring movement.

The routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat. Add some Latin flavor and international zest into the mix and we have a Zumba class!

Timber Ridge is excited to offer Zumba Fitness for the first time this summer! Certified instructors will come to camp once a week and will be leading a Zumba Fitness Party.

Here's how it will work: The first week of camp you will be taught the basic steps, then the music and dancing will begin. The cost is nominal to cover the instructor's fees and transportation. If you are interested in seeing what this new craze is about, fill out and send in the form below. Unfortunately, campers will not be able to join this program once camp has begun as we have to coordinate this program with the instructor.

Get ready for a great workout! Zumba!

Travel Basketball Team Information

Last summer we added a Travel Basketball team to our camp program and it was a huge success. The teams travel into town to play against other area teams at the recreation center in Martinsburg. Each team will play about 10 games throughout the summer. Campers will also practice during the week as a team on camp. This is a commitment; if campers wish to participate they need to be willing to play in all the games during the time they are at camp.

The Cost per camper is \$60.

As we must pre-register campers for the spots on the teams as well as know how many teams we will have, we must have this information returned to us by May 20th.

We are looking forward to continuing our success on the courts, last year being our first summer in the league we pulled off some brilliant upsets.
